

The Craft Potters Gallery

Administrated from:	Head Office
Form of contract:	JCT Intermediate Form with Contractors Design
Value:	£375,000.00 (one off)
Duration:	September 2010 to December 2010
Sector(s):	Commercial, Private sector, Retail
Type(s) of work:	Interiors / fit out, Refurbishment - General
Short description:	Fast Track Refurbishment & Fit Out of Craft Potters Gallery

The works involved the full strip out , structural Alterations, drainage, basement works, Refurbishment and Fit Out Works to the basement and Ground Floor Areas to form a new Retail, Wash Rooms and Display Areas for the Craft Potters Association.

The project was a fast track program where by a good deal of Out of Hours working was carried out to meet the program.

The job was very successful, completed on time and budget.
