<b>Short description:</b>	Apartment Block Exterior Renovations, Roofing Works, Interior Fit Out Works to Flats

---

**H.A. Marks have successfully carried out the full external renovations, redecorations and re-roofing works to this residential block of flats. The Block is owned and managed by Transport for London and is located beside Edgware Station.**

**One challenge encountered was erecting the gable end scaffold, which bounds onto a busy 24hr Bus Terminal. By careful co-ordination with all parties and controlled night working we were able to overcome the problem and complete the works on schedule.**

**Work undertaken included graffiti removal, brick pointing and cleaning, decorations to windows, rendered walls, metalwork, and installation of a 3-layered high performance felt to the concrete flat roof.**
