

DATA PROTECTION POLICY

H.A. Marks Limited uses information supplied by patrons and beneficiaries of H.A. Marks Limited and visitors to this web site. We take your privacy very seriously. This Data Protection Policy sets out details of the information we collect during your usage of our website and the way we may use that information. We conform with the requirements of the Data Protection Act 2018 (incorporating GDPR). For full information please read or request our Data Privacy Policy, which can be found in the Policies section of our website.

When do we collect information?

- If you contact us using the addresses and contact information published on this website including e-mail;
- The automatic logging of user's IP addresses which is recognised by the Web server.

Cookies

This site uses cookies and other technologies to enhance your experience of this website and to learn about how you use this website to improve the quality of this website.

It should be noted that H.A. Marks Limited cannot guarantee that the browser or social media route taken to get to our website (i.e., via Google or Facebook) was not using Cookies or other analytics. If any data is being obtained because of the route taken to our website, please be assured that H.A. Marks Limited does not receive any data from them.

A "cookie" is a small file containing a string of characters that is sent to your computer when you visit a website.

Currently this site uses the following types of cookie:

1. **Session Cookie**

A session' cookie set by this website are used to enable core site functionality, it does not contain any personal information and is automatically deleted when you clear your browser history.

2. **Anonymised Google Analytics cookies**

Anonymised Google Analytics cookies are used to track how you arrived at this website and how you used this website so that we can improve the content and layout of the website. These cookies are subject to Google's own Privacy Policy which you can read here: <https://www.google.com/policies/privacy/>.

How to manage cookies on your computer

Cookies may store user preferences and other information. You can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some website features or services may not function properly without cookies.
